## MEDiterranean CULTURES IN ART AND ARCHITECTURE

### OCTOBER 2016

المؤتمر العلمي الخامس للمediterranean Cultures in Art and Architecture  
The 5th International Conference  
Faculty of Fine Arts - Alexandria University

The awareness of cultural diversity between nations and the enhancement of dialogue between them, Contribute to the acceptance of conceptual differences and creativity practices. In order to stimulate self-respect for the varied history and civilization of nations. Progressive communication, as well as opening dialogue channels for exchanging experience with others holding different points of view should be targeted. Hence, the Faculty of Fine Arts, Alexandria University embraced the idea of the fifth international conference as part of its leading role in contributing to expanding the concept of cultural exchange, for Art has always held common boundaries of mutual scientific approach and cultural diversity acceptance among nations, especially Mediterranean countries that are bound to Alexandria Egypt in many aspects that extend deeply through history and time.

#### Conference objectives ..

The conference aims at cultural and intellectual enhancement between Mediterranean countries through the following:- Identifying points of cultural similarities and differences in the field of both science and visual arts. Opening new venues of intercultural exchange, and Sharing experiences and knowledge in the fields of arts and architecture. Preserving heritage and different forms of expression that consolidate the bases of dialogue as means of interaction between nations.

#### Conference Themes ..

Authors are encouraged to submit Papers in the field of visual Arts and Architecture in Mediterranean countries, but not limited to the following themes:-

Historic preservation conservation and restoration.  
Heritage and history  
The culture of Adaptation and variation.  
Science and technology  
Sustainability  
Value engineering  
Multi media.  
Learning and education.  
Civil community and culture future.

#### Conference venue ..

The Conference will be held in the main Conference Building at Alexandria bibliotheca, Egypt.

#### Participants in the conference ..

The Conference targets professionals, academics and researchers from all fields of Arts and Architecture as well as private organizations with various scientific and practical expertise associated with the conference themes, to investigate scopes of cooperation, scientific and cultural exchange between academic and artistic institutions in Egypt and the Mediterranean countries, through providing research papers or posters in one of the conference themes. The conference offers a platform to share researches and to learn from one another. The synergy thus created will be the first step towards future collaborations in meaningful research projects.

#### language ..

The Conference will be held in English and Arabic with the provision of translation.
